ORDER

ALISON J. NATHAN, District Judge:

By its Order of November 19, 2020, the Court set a date for the Respondent to respond to the Petitioners' petition to confirm an arbitration award. Absent any indication by the parties to the contrary, the Court presumes that the parties do not intend to conduct any discovery in this matter. Thus, the Court finds that no initial conference in this case is necessary and the parties need not submit a proposed case management plan. The conference scheduled for December 18, 2020, is adjourned sine die. The parties should notify the Court by joint letter if they intend to conduct discovery and wish the Court to enter a case management plan.

SO ORDERED.
